

(210) Advanced Word Processing

Description

Evaluate advanced-level skills in word processing and document production. *This event includes a separate certification component which will be offered in conjunction with the BPA event at NLC; all contestants passing this component will receive an industry certification regardless of their overall event placement.* The certification offered will be MOS Word 2016 and will count as 25% of the final score. All persons planning to take a certification test **MUST** register with Certiport (www.certiport.com) before attending NLC to create their Certiport profile. Contestants must include their BPA member ID in their Certiport profile when they register online. For more information on the exam, visit: <http://www.certiport.com/Portal/desktopdefault.aspx?tabid=664&roleid=101>

Eligibility

Student members may compete in only one of the following events each year: Fundamental Word Processing, Intermediate Word Processing, or Advanced Word Processing. This event may be repeated.

Contestant must supply

Sharpened No. 2 pencils, pens

Cordless calculator: Electronic devices will be monitored according to ACT standards. See [NLC Calculator Guidelines](#). Contestants who violate this rule will be *disqualified*.

Published and/or unpublished non-electronic written reference materials

Business Professionals of America assumes no responsibility for hardware/software provided by the contestant. No equipment, supplies, or materials other than those specified for an event will be allowed in the testing area. No previous Business Professionals of America tests and/or sample tests or facsimiles thereof (handwritten, photocopied, or keyed) may be taken into the testing area. Violation of this rule will result in disqualification.
