

Financial Foundations will provide you with an introduction to the exciting world of finance. You will investigate the business environment, our economy, money management, and business law in a fast-paced, interactive atmosphere. You will participate in hands-on projects to put financial concepts into practice and develop computer skills in Microsoft Word, Excel, PowerPoint, and Publisher. Most of all, you will have fun while doing all of this!

SUGGESTIONS: Stay organized, be productive, and keep deadlines in mind. Refer to these weekly sheets for your assignments and due dates; use the quarterly syllabus to plan further ahead.
