

Making Illegal Agreements

PowerPoint Project

In order to get a better understanding of illegal agreements, you are going to prepare a PowerPoint that explores THREE of the major categories below (your choice).

You should read about your topics in the online text (at www.myfinanceclass.com) and then prepare a summary of the information in 3 PowerPoint slides. Please make sure to include your own *example* of each illegal agreement. Finally, explain whether it is VALID, VOID or VOIDABLE.
