

A Day In Your Life ... with a Gantt Chart and a Pert Chart

In the spaces provided on each side of this sheet, create both a Gantt Chart and a Pert Chart for a typical day in your life. See page 101 in ENTR 5 for examples of these two types of production management charts. Instead of “weeks” at the top for the timeline, use hours. Start with waking up and finish with going to bed.

GANTT CHART

A Day In Your Life ... with a Gantt Chart and a Pert Chart

In the spaces provided on each side of this sheet, create both a Gantt Chart and a Pert Chart for a typical day in your life. See page 101 in ENTR 5 for examples of these two types of production management charts. Instead of “weeks” at the top for the timeline, use hours. Start with waking up and finish with going to bed.
