INTENT TO RUN FOR OFFICE

Each business class will elect 2-3 BPA Reps; they will serve as officers for one semester.

Note: You must have paid your course fee in order to run for office.

BPA Representatives ensure that each of our business classes have a voice in our chapter.

- ✓ They *represent* the students in each of the business classrooms on the BPA officer team.
- ✓ They share information with individual classrooms about important chapter events and activities.
- ✓ They work to ensure that all members are actively involved in our chapter in some way.
- ✓ They organize classroom meetings, activities, and celebrations (subject to your teacher's approval).

Expectations for all BPA Officers

BPA officers are expected to set an example for the rest of the members – with their participation, behavior, and academics.

Participation: Officers are expected to participate in all BPA activities, attend all chapter meetings, and take part in all officer meetings. Lack of participation is cause for removal from office.

Behavior: If there are problems with discipline or if you receive an ASA, you will be placed on officer probation for 2 weeks. If the problems continue you will be removed from office. If you receive an OSS, you will be immediately removed from office.

Academics: You must maintain at least a C in your business class. If you do not have at least a C in your class at the end of each week, you will be placed on officer probation for 2 weeks. If your grade does not improve, you will be removed from office.

If you do not feel that you can meet ALL of these expectations, please do not run for office.

Why do you feel that you should be elected as a BPA Representative? What skills or experience do you have that would make you a good leader? Be specific. (attach additional sheets if necessary)

I understand that I must meet all school guidelines to participate in school-related organizations. I understand that failure to follow established school and organization guidelines can result in disciplinary action and removal from office.
