

(155) Economic Research Individual (S)

Description

One economic research topic is selected by the National Center and provided at the beginning of the school year. The member will conduct research on the topic and present findings in a research paper, an oral presentation, and respond to questions from a panel of judges.

Eligibility

Any student member may enter this event. Each member may submit only one (1) research paper. Members participating in national level competition must be registered for the event prior to submission deadline for technical judging. Members must participate in both parts of the competition in order to be ranked.

Topic

Using traditional Keynesian economic models, research and analyze the effects of COVID-19 on unemployment in the US and the government's response.

Members who do *not* submit an entry that follows this topic will be *disqualified*.

Member must supply

One envelope containing the materials as listed in the specifications section

Notes or note cards for oral presentation (optional)

Presentation device

Presentation software

Sound cards (optional)

External speakers (optional)

Projection system (optional)

Digital presentation tools (no videos will be allowed) (optional)

No Internet access will be provided on-site at NLC; however, members may provide their own access to be used only for their presentation to the judges

Members must bring all supporting devices (e.g., extension cords, power supply, etc.)

Carry-in and set-up of equipment must be done solely by the member and must take place within the time allotted

Business Professionals of America assumes no responsibility for hardware/software provided by the team. No equipment, supplies, or materials other than those specified for an event will be allowed in the testing area. No previous Business Professionals of America tests and/or sample tests or facsimiles thereof (handwritten, photocopied, or keyed) may be taken into the testing area. Violation of this rule will result in disqualification.
