

The second semester of FSJ is **Financial Accounting**, which will focus on how a business records transactions, maintains financial records, and prepares financial statements. You will participate in hands-on projects to put accounting concepts into practice and develop computer skills in Microsoft Word, Excel, PowerPoint, and Publisher. Most of all, you will have fun while doing all of this!

*SUGGESTIONS: Stay organized, be productive, and keep deadlines in mind. Refer to these weekly sheets for your assignments and due dates; use the quarterly syllabus to plan further ahead. Tests and major projects should never be a surprise! Use our class website ([www.myfinanceclass.com](http://www.myfinanceclass.com)) as a resource at school and as a way to stay connected from home.*
