

(555) Presentation Management Individual (S | PS)

Description

Assess use of current desktop technologies and software to prepare and deliver an effective multimedia presentation.

Eligibility

Any Secondary or Post-secondary division student member may enter this event. A member may *not* participate in more than one of the following events in the same year: Presentation Management Individual and Prepared Speech. A previously used presentation may *not* be used.

Topic

Due to the current health and safety concerns for employees, working from home has become the new norm. As the world overcomes the COVID-19 Pandemic many employers are beginning to require employees to physically return to office locations. Digital Solutions is considering requiring their employees to return to work physically as well. Your Human Resources Manager has come to you and asked you to research and prepare a presentation with considerations, benefits, and disadvantages of this proposal. Make a recommendation and defend your position.

Things to consider, but not limited to:

- Identify reasons of resistance to the proposal
- Identify risks for Digital Solutions if such a policy is created
- Research effectiveness or ineffectiveness of working from home
- Research additional (if any exist) options for Digital Solutions

Members who do *not* submit an entry that follows this topic will be *disqualified*.

Member must supply

Presentation device/Presentation software
