

## This Week in FSS

WEEK 1

The first semester of FSS is **Fundamentals of Financial Services**, which will focus on personal finance topics that will help prepare you for life after high school – budgets, saving, investing, real estate, insurance, and credit. You will participate in hands-on projects to put financial concepts into practice and enhance your technology skills. Most of all, you will have fun while doing all of this!

*SUGGESTIONS: Stay organized, be productive, and keep deadlines in mind. Refer to these weekly sheets for your assignments and due dates; use the quarterly syllabus to plan further ahead. Tests and major projects should never be a surprise! Use our class website ([www.myfinanceclass.com](http://www.myfinanceclass.com)) as a resource at school and as a way to stay connected from home.*
