GOALS

What are your goals for preparing for each of your competitions? Remember that you have limited time in class to work on these. You will also need to spend time *outside of class* preparing. For tested events, you will want to take AT LEAST 3 practice tests (files on class website). For judged events, you will need to spend time preparing and practicing. All events will require preparation, practice, and dedication on your part. You get out of competitions what you put into them! Have fun, work hard, and you may be advancing to State and Nationals this year!!!
