

Stock Market Test Review

Our test on the stock market will be on Tomorrow. Complete this packet to help prepare you for the test!

1. In the MarketWatch game, the prices of your stocks have been moving up and down quite a bit. What causes the prices to change? Try to give a few examples of things that have affected the prices.
2. What is the difference between the NYSE, AMEX, and NASDAQ stock exchanges?
3. What exactly are stock brokers and what role do they play?
4. We have talked about how risky buying stocks can be. Explain some of the risks. Why are investors willing to take these risks?
5. Would you personally ever invest in stocks? Why or why not?
6. Explain Peter Lynch's strategy for buying stocks. Is "buy what you know" always a good strategy?
